

Semarang, October 15, 2013

Nomer : 133/A/PAN/IVMHEPX/13

Subject : Notification of Acceptance of the International Seminar on Integrated Vector
Management: Health and Environment Perspectives

Dear Mr./Mrs./Ms. **Istiana**

We are glad to inform you that your paper entitled "Comparative effectiveness of pyriproxyfen and methoprene to *Aedes aegypti* larvae from West Banjarmasin" has been ACCEPTED for ORAL PRESENTATION in the International Seminar on Integrated Vector Management: Health and Environment Perspectives on October 26, 2013 in Semarang, Indonesia.

Please be informed that the full paper formatted according to the template must be sent by email to the internationalseminar.fkmundip@gmail.com before October 24, 2013.

We look forward to seeing you in Semarang.

Sincerely yours,

Chairman of IVM:HEP 2013
