

Semarang, October 15, 2013

Nomer : 134/A/PAN/IVMHEPX/13

Subject : Notification of Acceptance of the international Seminar on integrated Vector
Management: Health and Environment Perspectives

Dear Mr/Mrs/ Ms Lisda Hayatie

Co Author : Istiana (Presenter)

We are glad to inform you that your paper entitled " THE EFFECTIVENESS OF
MOMORDICA LEAVES (*Momordica charantia L.*) EXTRACT AS BIOLARVICIDE
TO VECTOR OF DENGUE HAEMORRHAGIC FEVER" has been ACCEPTED for
ORAL PRESENTATION in the International Seminar on Integrated Vector Management
Health and Environment Perspectives on October 26, 2013 in Semarang, Indonesia.

Please be informed that the full paper formatted according to the template must be sent by
email to the internationalseminar.flcundip@gmail.com before October 24, 2013.

We look forward to seeing you in Semarang.

Chairman of IVM:REP 2013

Sincerely yours,

Nur Endah Wahyuningsih
