Dear Juhriyansyah Dalle,

Our Journal policy does not allow self-citation, (Quoted are the papers from one TEM Journal into another TEM Journal).

Greater referentiality is achieved if you cite papers from TEM Journal (from TEM Journal published in the previous two years 2019 or 2020) **into another journal.**

Therefore, remove from the References the quotation number [9].

After removing, match the order of citations.

After the corrections you should send us your paper again.
