Dear Mr. Tole Sutikno,

Thank you very much for accepting our paper. I am trying to login and submit the final revised paper but up to now, unfortunately I could not login using the given username and password. Therefore, I would like to send here the revised paper and the payment approval through this email. In the attachment you could find both documents.

In addition, you mentioned that the paper will be published in one of your journals. I would like to ask you whether it is possible to publish my paper to the International Journal of Power Electronics and Drive Systems or Bulletin of Electrical Engineering and Informatics because last year we already published our paper in Telkomnika.

Thank you very much in advance and I am looking forward to hearing from you soon.

Kind Regards,

Dr.-Ing. Puguh B. Prakoso, M.Sc.
