Dear Dr. Anggraini,

Regarding manuscript 8540637. We need to receive your feedback regarding the following:

1- Please correct the reporting of the statistical values in table 1 and table 2. Instead of "p=0.000", this should be written as "p=0.001"

2- The title of the manuscript is the same title of the published paper 9240157. Accordingly, please provide us with an updated title.

3- Please rewrite the copied parts from manuscript 9240157 and cite properly manuscript 9240157 in the reference list and within the article.

Please provide me with an updated PDF as an email attachment after updating the manuscript and I will upload it on the MTS on your behalf.

I look forward to hearing from you within three days.

Best regards,

Dear Dr. Anggraini,

The review process of Research Article 8540637 titled "The impact of scientific and technical training on improving databases' adequacy for foetal growth chart development in limited-resource settings: A case study in the province of South Kalimantan, Indonesia" by Dewi Anggraini, Mali Abdollahian, Kaye Marion, Supri Nuryani, Fadly Ramadhan, Rezky Rahayu, Irfan Rachman and Widya Wurianto submitted to Journal of Pregnancy has been completed. I am pleased to inform you that your manuscript has now been accepted for publication in the journal.

The publication process of your manuscript will be initiated upon the receipt of electronic files. Please log in to the Manuscript Tracking System at the link below using your username and password, and upload the electronic files of your final accepted version within the next 2-3 days.

<http://mts.hindawi.com/author/8540637/upload.files/>

The electronic files should include the following:

- 1- Source file of the final accepted manuscript (Word or TeX/LaTeX).
- 2- PDF file of the final accepted manuscript.
- 3- Editable figure files (each figure in a separate EPS/PostScript/Word file) if any, taking into consideration that TIFF, JPG, JPEG, BMP formats are not editable.

If you have deposited your manuscript on a preprint server (e.g. arXiv, bioRxiv, chemRxiv), now would be a good time to update it with the accepted version. If you have not deposited your manuscript on a preprint server, you are free to do so.

Thank you again for submitting your manuscript to Journal of Pregnancy.

Dear Dr. Anggraini,

As an open access journal, Journal of Pregnancy levies Article Processing Charges that amount to USD 1000. The total charges for your manuscript (8540637), before any taxes that may apply, are USD 1000.

You can access the invoice for your article and make payments through the following URL:

<https://invoice.hindawi.com/C80D4F08-AB03-435F-8DFC-325E003C4F32/>

You will need to login to your account on the Manuscript Tracking System to access the link. After entering your billing address information, you will be able to pay by credit card or bank transfer.

If paying by bank transfer, please refer to invoice number 8540637 and return a scanned copy of the payment authorisation by email to facilitate our tracking of your payment.

The invoice is payable upon receipt and your prompt action would be appreciated.

If the payment will be made by an alternative source (e.g. your institution), you can provide contact details for the person who will be arranging payment via the invoice page.

If I can be of any assistance with the payment process, please let me know.

Kind regards,

Dear Farah,

We have addressed this issue in our previous email submitted on the 5th of November (please see the attachment). Please let me know if you need further information about this.

We also received a confirmation from Luca Marozio that our paper has been accepted. So, do I need to upload the electronic version on my behalf through my account as per suggested in the acceptance email by Luca?

Thank you and looking forward to hearing from you soon.

Kind regards,

Dear Dr. Anggraini,

I am pleased to let you know that the first set of galley proofs of your Research Article 8540637 titled "The impact of scientific and technical training on improving databases' adequacy for fetal growth chart development in limited-resource settings: A case study in the province of South Kalimantan, Indonesia," is ready. You can apply your corrections directly to the manuscript with the Online Proofing System (OPS).

Using the OPS, you can quickly and easily make corrections directly to your galley proofs and submit these corrections with a single click.

<https://ops.hindawi.com/author/8540637/>

If a new corresponding author is added, they must log into their manuscript tracking system account and add their ORCID ID. Any additional ORCID IDs added on during proofing will also need to be updated on that author's account. Delays can occur if this isn't done.

To expedite the publication of your manuscript, please send us your corrected galley proofs within three days.

Best regards,

Dear Farah,

We were wondering if you could please let us know when is our paper available online. This is just for our reference since we are aware that the publication process takes 26 days.

We were also wondering whether you could give us some information regarding the rank of the journal in 2018, whether it remains in Q2. This is also for our reference for future publications in the journal.

Thank you and appreciate your assistance.
