Dear Dr RINGORINGO,  
Recently we have received at our American Journal of Case Reports office a paper entitled "**Juvenile Hyaline Fibromatosis: A Case Report with a novel ANTXR2 Gene Mutation**".  
As a registered reviewer, we are sending this request to you based on the specialties that you have listed for yourself. We would be very grateful if you could kindly critically evaluate this manuscript by 22 February, 2022.  
To view the abstract of the paper, and determine if it fits your expertise, please kindly click the link below:  
[www.amjcasesrp.com/review/article/code/6202be73c9f5](http://www.amjcasesrp.com/review/article/code/6202be73c9f5)  
If, for any reason, you are not able to fulfill our request, please click the [Decline] button after clicking the link above. This will help us to react promptly and send out additional review requests.  
The authors will be especially grateful, as it will help to shorten the whole evaluation process.  
We look forward to your decision.

Sincerely,  
Editorial Office  
American Journal of Case Reports
