<p>Dear Author, Thank you very much for your mss submission. Unfortunately, this mss is too brief to be published in Biodiversitas journal. At least, you need to compose a 2000 words article from intro to conclusion (table and figure are excluded). Also, I have some correction for your mss. At least you need to compose 20 citation which :</p> <ol style="list-style-type: none">1) 80% of international scientific journals published in the last 10 years.2) only 10% national scientific journal in the mss.	<p>deka 2020-06-14 07:56 PM</p>
<p>▶ Dear Deka, Sorry, I am not familiar with this forum. I uploaded the revised article through a new discussion, instead. I hope it is not a serious mistake. Thank you</p>	<p>gafuraulm 2020-06-18 03:46 PM</p>

At least, you need
to compose a 2000 words article from intro to conclusion (table and figure

to compose 20 citation which :
1) 80% of international scientific journals published in the last 10 years.
