**UNDERTAKING**

[Please print out this letter on letter head, sign it and submit its signed copy via email]

Hereby I would like to submit the below paper  
for the publication in the "**Journal of Entomology**"

Title of the article: Screening and LC50 of *B. thuringiensis* From Indonesia and Philippines against *Crocidolomia binotalis* Zell

Author's Name/Affiliation:

1. Akhmad Rizali

Name of the corresponding author: Ir. H. Akhmad Rizali

Address of the corresponding author with phone number:

Lambung Mangkurat University, Indonesia

+625114777901

E-mail: arizali25@yahoo.com

I, as the Corresponding Author understand and declare that:

1. The manuscript has been read and approved by all named authors and that there are no other persons who satisfied the criteria for authorship but are not listed. We further confirm that the order of authors listed in the manuscript has been approved by all of us.
2. We have given due consideration to the protection of intellectual property associated with this work and that there are no impediments to publication, including the timing of publication, with respect to intellectual property. In so doing we confirm that we have followed the regulations of our institutions concerning intellectual property.
3. The manuscript is original, has neither in part nor as a whole been published or submitted for publication at the same time in any other scientific journal, and if accepted, it will not be published elsewhere in the same form, in English or any other language.
4. There are no known conflicts of interest associated with this publication and there has been no significant financial support for this work that could have influenced its outcome.
5. We All the authors of the manuscript accept full responsibility for all opinions, conclusions and statements expressed in the article.

Undertaking

6. We further confirm that the order of authors listed in the manuscript has been approved by all of us.
7. Any aspect of the work covered in this manuscript that has involved either experimental animals or human patients has been conducted with the ethical approval of all relevant bodies and that such approvals are acknowledged within the manuscript.
8. We (all the authors of the manuscript) understand that the Corresponding Author is the sole contact for the Editorial process (including Editorial Manager and direct communications with the office). He/she is responsible for communicating with the other authors about progress, submissions of revisions and final approval of proofs. We (all the authors of the manuscript) confirm that we have provided a current, correct email address which is accessible by the Corresponding Author and which has been configured to accept email from support@scialert.com
9. If the above article is published in Journal of Entomology, the copyright of this article will vest with the Journal of Entomology, who will have the right to enter into any agreement with any organization. Neither we nor our legal heirs will have any claims on royalty.

**Signature of the corresponding author**

**Certificate from Head of the Department/Institute**

This is to certify that the information given above is correct to the best of my knowledge and I have no objection to the publication of the article cited above in Journal of Entomology. This study is original, scientifically sound and not misleading, it contains new and important results that significantly advance the research field.

**Signature of Head of the Department/Institute with official seal**

## 106323-PJBS-ANSI - Request for Revised Article
