Dear Prof/Dr/Sir/Madam,

We are pleased to inform you that your **abstract**:

Title : Influence of Microwave Power and Temperature on The Silica Leaching Process

Author(s) : Agus Mirwan

has been accepted to be presented for oral presentation in the **4th International Conference on Chemical and Material Engineering (ICCME) 2020** organized by Department of Chemical Engineering, Diponegoro University. ICCME 2020 will be held online conferencer. The opening, presentation, and closing program will use **Video Meeting via Zoom** on October 6-7, 2020. Please note that this acceptance letter is also considered as an **invitation letter**.

Hence, we would like to ask you to submit the full-paper manuscript which has been formatted according to the templates from IOP, these are available from the website at <http://conferenceseries.iop.org/content/authors>. The files should be saved by the title of **paper_first author name** (e.g **paper_didi dwi anggoro**) using Ms-Word 97-2003 format or other compatible formats. Please send the files to the conference official email (iccme2020@live.undip.ac.id) and write the file title as the email's subject before **25th August 2020**.

For further information, please don't mind to kindly contact us in the conference email (iccme2020@live.undip.ac.id). We are looking forward to seeing you in Semarang.

Best regards,

Prof. Ir. Didi Dwi Anggoro. M.Eng. Ph.D.

Thank you to those who have registered for the conference and we are glad to inform you that the ICCME-2020 preliminary program is ready for your view. We have included presentations of all the registered presenters.

Kindly go through the program and let us know by return email if you see any errors in your name (presenter) and the title of your abstract(s).

We will be finalising the program by the **5th of October 2020** and will give it to prepare the Abstracts Book.

Kindly register before by that time to include your abstract(s) in the abstracts book. The time in the program is **Jakarta time**.

The duration of oral presentations will be 10 minutes and discussion will be 5 minutes. Kindly make your presentations using **powerpoint** and include the **audio** to each slide. This will allow you to control the time to exactly 10 minutes. Please email your final presentation file to iccme2020@live.undip.ac.id on or before the **5th of October 2020** for us to organise the presentations.

ZOOM will be used during the ICCME 2020 online Conference. We will provide the access link to ZOOM closer to the conference.

Look forward to hearing from you.

Have a nice day.

ICCME 2020: Review and Revised Paper

Dear Prof/Dr/Sir/Madam,

The committee of ICCME 2020 would like to thank you for your participation in the conference and making the conference run successfully.

Now we will inform you that your paper (title: *Influence of microwave power and temperature on the silica leaching process*) has finished reviewing, the result of the review can be seen in the attachment. If your paper has a record for revision, please revise it.

The revised paper is saved in a PDF file. Writing the PDF file name follows the rules: First Author Surname_Paper title (example: anggoro_direct conversion of methane).

We expect to receive your revision by **2nd November 2020**.

Thank you for your cooperation

B. Comments on the manuscript

The IOP Conference Series publishing agreements require peer review to be undertaken in accordance with the principles outlined below.

Technical Criteria

- Scientific merit: notably scientific rigour, accuracy and correctness.
- Clarity of expression; communication of ideas; readability and discussion of concepts.
- Sufficient discussion of the context of the work, and suitable referencing.

Quality Criteria

- Originality: Is the work relevant and novel?
- Motivation: Does the problem considered have a sound motivation? All papers should clearly demonstrate the scientific interest of the results.
- Repetition: Have significant parts of the manuscript already been published?
- Length: Is the content of the work of sufficient scientific interest to justify its length?

Technical criteria:

- The manuscript has little discussion of the context of the work (please explain the results more) and half of the references are out of date (please use the latest references (last ten years) min 75%)

Quality criteria:

- The work is relevant and demonstrates sufficient scientific interest of the results.

C. Comments about format

(please refer the paper template of ICCME 2020 paper; please indicate which part should be corrected)

Part should be corrected:

- Authors name
- Email
- Equation
- References

D. Comments about the English

(please indicate which part should be corrected)

Please recheck the grammar.

Dear Prof/Dr/Sir/Madam,

On behalf of the **4th International Conference on Chemical and Material Engineering (ICCME) 2020**, we would like to show our gratitude for your participation in this conference. We also pleased to inform you that your manuscript:

Title : Influence of microwave power and temperature on the silica leaching process

First Author Surname : Hidayati

Author(s) : N Hidayati et al.

has been accepted to be published in IOP Conference Proceeding 2021 and is now in production of the publishing process by IOP Publisher.

Thank you for your cooperation and contribution in the ICCME 2020.

For further information, please don't mind to kindly contact us in the conference email (iccme2020@live.undip.ac.id).
