The paper is quit intersting which discuss about modified shrinking core model for microwave-assisted leaching of aluminum from peat clay. However, some improvements need to address as follows:

- Please refer to the IOP template how to write author name etc.
- The abstract is too short, I suggest to add in the abstract reserach background, aims, method, results, and the implication of the benefits.

Dear Hairullah Hairullah, Agus Mirwan, Meilana Dharma Putra, Bintang Hambela Ilmanto, Hexas Sarastiwi Handayani Putri, Muhammad Bahrul Ulum, Muhammad Rofi Haka

Congratulations! Your paper 50 ('A modified shrinking core model for microwave-assisted leaching of aluminum from peat clay') has been fully accepted and will be presented in The 2020 International Conference on Science in Engineering and Technology (ICoSiET). ICoSiET 2020 will be held on October 21-22, 2020 in Palu, Indonesia. However, We are delighted to inform you that we will use Zoom to deliver our online conference if the participant doesn't possible to attend the conference due to COVID-19 Outbreak.

Make sure that you have registered yourself as a speaker through the conference website: <http://icosiet.org/2020/registration>.

The other queries that you have to do are:

- 1) Prepare your presentation file for 15 to 20 minutes duration (in *.PDF, *.PPTX, *.PPT, or URL Video).
- 2) Prepare your FINAL PAPER (in an editable file, such as in *.DOC, *.DOCX format). Ensure the similarity score is less than 20%, the images/tables in good resolutions, and you have proofread the English quality carefully.

Both files should be uploaded to <https://forms.gle/kTZrN9RC7f5hD2CWA> before October 18, 2020.

The schedule of the program and the technical information of the conference will be updated soon and send to your email.

Thank you for choosing the ICoSiET 2020 to present your research results.
We are looking forward to welcoming you to ICoSiET 2020.

Best Regards,

Dr. Eng. Rifai
