Dear Yuwono, Utomo & Widodo

We have reached a decision regarding your submission to International Journal of Applied Engineering and Technology (London), "Applying Modern Camera Technology to Guide the Visually Impaired Persons in Society: The Power of Improved Orientation and Mobility Skills for Visual Impairment".

Our decision is to: Accept with revision.

If you want to publish your article into Volume 4, Issue 2 please revised that paper according to the comments from the reviewers below:

- I would suggest to improve the abstract
- Some references are duplicates. Please check all references.
- It would ask you to redraw figures which are not clear more those from other sources.
