International Journal of PharmTech Research
CODEN (USA): IJPRIF ISSN: 0974-4304

Dear Herniwanti Sir,

16/02/2014

Greetings and Seasons Wishes.

We would like to inform you that,

your paper titled, "CHARACTERISTICS OF ACID MINE WATER "

has been accepted for publication in the upcoming issue: of International Journal of ChemTech Research, (to get released on 10TH MARCH 2014).

Please check the status at: Log on to www.sphinxsai.com, c/o Journal Section, c/o Paper status, c/o paper NO. 13/M14.

Accordingly every author will have to pay a nominal cost of US \$ 20 for his full paper. Journals do not have subscription base/any sponsorship and are available for free search .Thus for existence/financial independencies of the journal, authors have to pay as nominal charges.. Thus your paper is charged with US \$ 80(for 4 authors) + US \$ 8 (Conveyance charges) = US \$ 88 (EIGHTY EIGHT) Total.

Thanks,

Expecting a reply at your earliest for further processing of your paper.

Regards,

Prof S N Khadatkar.
