Dear Author(s),

As the conference day is coming, we would like to remind you that we are still waiting for your **final paper submission and registration**.

We are currently preparing the conference program book, which will be published within this week. The program book contains your abstract, therefore please submit your final paper as soon as possible. If you fail to do so, we will publish the abstract written in the last manuscript that you have submitted to us previously.

To confirm your participation as a presenter in our conference please complete the registration and payment before October 4, 2018. Please be informed that all authors are obliged to make an oral presentation before their papers are entitled for publication in the conference proceedings.

For those who have done final paper submission and registration, kindly prepare your presentation and make sure that you follow our [presentation guidelines](#). Please note that your presentation file must be submitted by October 9 at the latest.

**Please disregard this email if you have done the requirements.*

Please let us know if you need any further information.
We look forward to hearing from you soon.

Warmest regards,
Khulafaur Rosidin

Dear ICSBE Committee,

I'm pleased to submit you herewith the latest correction of my article entitled **"The study of flowability and the compressive strength of grout/mortar proportions for Preplaced Agregate Concrete"** that will be published in MATEC Web of Conferences in Pdf and word format.

There are several correction in my article in term of the missing figure in Fig 1 and also the font type.

Thank you very much for your kind attention
