Dear Mr Rodiansono:

TITLE: Selective hydroconversion coconut oil-derived lauric acid to alcohol and aliphatic alkane over MoO<sub>x</sub>-modified Ru catalysts under mild conditions

Thank you for transferring your manuscript to RSC Advances, published by the Royal Society of Chemistry. This is an automatic acknowledgement that you have uploaded your files to our online submission system. Your manuscript ID is: RA-ART-04-2022-002103

Your manuscript will be passed to an editor for initial assessment as soon as possible. If there are any problems with your submission we will contact you.

All RSC Advances articles are published under an open access model, and the appropriate article processing charge (APC) will apply. Details of the APC and discounted rates can be found at <https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#charges-RSC-Advances>

Please note that RSC Advances now only publishes Paper and Review type articles. If your transferred submission is a Communication type article, this will be changed to a Paper type article if accepted for publication.

Please indicate the above manuscript ID when you contact us about this submission.

Do you have an ORCID iD? ORCID (Open Researcher and Contributor iD) is a unique researcher identifier that allows

All RSC Advances articles are published **under** an open access model, and the appropriate article processing charge (APC) will apply. Details of the APC and discounted rates can be found at <https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#charges-RSC-Advances>

Please note that RSC Advances now only publishes Paper and Review type articles. If your transferred submission is a Communication type article, this will be changed to a Paper type article if accepted for publication.

Please indicate the above manuscript ID when you contact us about this submission.

Do you have an ORCID iD? ORCID (Open Researcher and Contributor iD) is a unique researcher identifier that allows you to link your research output and other professional activities in a single record. We therefore encourage each researcher to sign up for their own ORCID account. Please edit your user account to link your ORCID iD or create a new one, ensuring that you have not linked your account to another researcher's ORCID iD. Please note that we are unable to do this on your behalf. If your article is accepted, you may choose to have your ORCID record updated automatically with details of the publication.

We already have the following information for authors of this manuscript: Rodiansono, Rodiansono - <https://orcid.org/0000-0002-9047-3586>, Heny Puspita, Dewi - No ORCID iD Available, Mustikasari, Kamilia - No ORCID iD Available, Dewi Astuti, Maria - No ORCID iD Available, Husain, Sadang - No ORCID iD Available, Sutomo, Sutomo - No ORCID iD Available

This journal has a policy of sharing reviewer reports. Please note that the Editor's decision and copies of the reports will be shared with all reviewers who provide a recommendation on your manuscript.

Please contact us if we can be of any assistance.

Yours sincerely,

RSC Advances Editorial Office

22-Apr-2022

Dear Mr Rodiansono:

TITLE: Selective hydroconversion coconut oil-derived lauric acid to alcohol and aliphatic alkane over MoOx-modified Ru catalysts under mild conditions

AUTHORS: Rodiansono, Rodiansono; Heny Puspita, Dewi; Mustikasari, Kamilia; Dewi Astuti, Maria; Husain, Sadang; Sutomo, Sutomo

Thank you for your revised submission to RSC Advances, published by the Royal Society of Chemistry. This is an automatic acknowledgement that you have uploaded your files to our online submission system. Your manuscript ID is: RA-ART-04-2022-002103.R1

Your manuscript will be passed to an editor for initial assessment as soon as possible. If there are any problems with your submission we will contact you.

All RSC Advances articles are published under an open access model, and the appropriate article processing charge (APC) will apply. Details of the APC and discounted rates can be found at <https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#charges-RSC-Advances>

Please indicate the above manuscript ID when you contact us about this submission.

If there have been any changes to the list of authors during this revision, please inform the Editorial Office of the reason for the change. All authors must confirm they are happy with the authorship change by emailing [advances@rsc.org](mailto:advances@rsc.org).

Do you have an ORCID iD? ORCID (Open Researcher and Contributor iD) is a unique researcher identifier that allows you to link your research output and other professional activities in a single record. We therefore encourage each researcher to sign up for their own ORCID account. Please edit your user account to link your ORCID iD or create a new one, ensuring that you have not linked your account to another researcher's ORCID iD. Please note that we are unable to do this on your behalf. If your article is accepted, you may choose to have your ORCID record updated automatically with details of the publication.

We already have the following information for authors of this manuscript: Rodiansono, Rodiansono - <https://orcid.org/0000-0002-9047-3586>, Heny Puspita, Dewi - No ORCID iD Available, Mustikasari, Kamilia - No ORCID iD Available, Dewi Astuti, Maria - No ORCID iD Available, Husain, Sadang - No ORCID iD Available, Sutomo, Sutomo - No ORCID iD Available

If this is not how you want your name to appear on an Accepted Manuscript, please amend your ScholarOne account.

This journal has a policy of sharing reviewer reports. Please note that the Editor's decision and copies of the reports will be shared with all reviewers who provide a recommendation on your manuscript.

Please contact us if we can be of any assistance.

Dear Mr Rodiansono:

Manuscript ID: RA-ART-04-2022-002103.R1

TITLE: Selective hydroconversion coconut oil-derived lauric acid to alcohol and aliphatic alkane over MoOx-modified Ru catalysts under mild conditions

Thank you for submitting your revised manuscript to RSC Advances. I am pleased to accept your manuscript for publication in its current form. I have copied any final comments from the reviewer(s) below.

You will shortly receive a separate email from us requesting you to submit a licence to publish for your article, so that we can proceed with the preparation and publication of your manuscript. We will email you information on how to access your RSC Advances article proofs when they are ready.

All RSC Advances articles are published **under** an open access model, and the appropriate article processing charge (APC) will apply. Details of the APC and discounted rates can be found at <https://www.rsc.org/journals-books-databases/about-journals/rsc-advances/#charges-RSC-Advances>.

We are offering all corresponding authors who are not already members of the **Royal Society of Chemistry** one year's Affiliate membership. If you would like to find out more please email [membership@rsc.org](mailto:membership@rsc.org), including the promo code OA100 in your message. Learn all about our member benefits at <https://www.rsc.org/membership-and-community/join/#benefit>.

Promote your research, accelerate its impact – find out more about our article promotion services here: <https://rsc.li/promoteyourresearch>.

If you would like us to promote your article on our Twitter account @RSCAdvances please fill out this form: <https://form.jotform.com/212705294847058>. Alternatively, if you would like your article to be considered for further promotion via our WeChat channels then please do let us know.

Thank you for publishing with RSC Advances, a journal published by the **Royal Society of Chemistry** – connecting the world of science to advance chemical knowledge for a better future

With best wishes,

Prof. Brenno A. D. Neto  
Associate Editor, RSC Advances
