Review Comments (Ethnomedicine On The Use Of Aromatic Plants In Batimung Tradition In North Banjarmasin Sub-District Banjarmasin City Indonesia)

Editorial comments to authors

For use/involvement of humans in experiment, include an ethical approval number.

Combine the results and discussion into a single section.

In-text references should be in superscript numerals without brackets. Also, the numerals should come after a comma or full-stop.

Reference section: remove reference from the table format and write on blank page

Grammatical errors are present. Please, manuscript should be submitted for English editing.
Please seek the assistance of an English editor for the English editing and proper formatting. Prof Shittu (olalekan.shittu@uniben.edu) or any other English editor may assist you. Send the revised copy and the certificate of English editing when submitting the revised version.

A declaration of the liability of the authors for claims relating to the content of this article should also be included when submitting the revised manuscript. This should be stated as follows;

Authors' Declaration

The authors hereby declare that the work presented in this article are original and that any liability for claims relating to the content of this article will be borne by them.

All comments/corrections made by reviewers should be completely addressed, point by point, and make appropriate changes in the manuscript, or provide a suitable rebuttal to any specific request for change that has not been made.

All corrections/changes made in the manuscript should be **highlighted in yellow colour** when submitting the manuscript in the revised **form on or before 20th May 2022**

The authors should carefully revise and correct the manuscript taking into consideration the comments of all the reviewers. **50% of the references cited**
