Dear Dr. Agus Mirwan,

This mail is in continuation of my last mail. We are sure that you are aware of the excellent initiative taken by Publons, which aims to speed up research by harnessing the power of peer review.

They provide a platform that allows researchers to track, verify and be recognised for their peer review and editorial work. A researcher's peer review and editorial contributions can be displayed on their public Publons profile to show the world the impact they have on their research field and enhance their career.

Publons rewards you for documenting your review history by providing you with a verified record which you can use in funding and promotion campaigns.

It is very easy and will take hardly 3-5 minutes time. Kindly please follow the below mentioned steps

1. Create your account here: https://publons.com/account/signup/
2. Forward your review receipts (i.e. "thank you for reviewing" emails from journals like our last mail) to reviews@publons.com

You can see helpful guideline here: https://publons.freshdesk.com/support/solutions/folders/12000006431

Please be safe during this COVID-19 pandemic situation. We wish best of health for you and your family members.

Thank you very much for spe

With Best Regards
Ms. Ruma Bag
