

Abstract

The service will assist in the management of BUMDes in Tajau Mulya Village, South Kalimantan Province, and provide organizational management and entrepreneurship training to boost the economy of Tajau Village communities to improve Tajau Mulya. It is intended to be more optimal and effective. The implementation of the service will be through the socialization and management support of the BUMDes management of Tajau Mulya village. The service's implementation methodology will be carried out in three phases: an introduction phase to identify partner locations, an implementation phase to contact partners and conduct training activities, and an evaluation phase to determine how well this is being done. The training activities can be picked up by BUMDes participants, and the materials given address their BUMDes 'role as a driver of community economics, organization management, and entrepreneurship. It is hoped that through this service activity, skills will be provided to the management of his BUMDes in Tajau Mulya village and the role of BUMDes as a driving force in the formation of village economy, organizational management and entrepreneurship will be established. The outcomes of this service are also expected to form the basis for governments to develop policies and programs related to BUMDes development issues.

Abstrak

Pengabdian ini membantu pengelolaan BUMDes di Desa Tajau Mulya Kalimantan Selatan, serta memberikan pelatihan pengelolaan kelembagaan dan kewirausahaan untuk mendukung perekonomian masyarakat Desa Tajau dalam meningkatkan Muriyah optimal dan efektif. Pengabdian ini akan dilaksanakan dengan memberikan sosialisasi dan dukungan kepada pengurus BUMDes di Desa Tajau Mulya. Metodologi implementasi layanan dilakukan dalam tiga fase: fase pengenalan untuk mengidentifikasi lokasi mitra, fase implementasi untuk menghubungi mitra dan melakukan kegiatan pelatihan, dan fase evaluasi untuk menentukan seberapa baik hal ini dilakukan. Kegiatan pelatihan dapat diikuti oleh pemangku kepentingan BUMDes. Materi yang diberikan membahas tentang peran BUMDes sebagai penggerak ekonomi, organisasi dan kewirausahaan. Hasil dari pengabdian ini juga diharapkan dapat menjadi dasar bagi pemerintah untuk menyusun kebijakan dan program terkait dengan isu pembangunan BUMDes.
