Dear Hesti Wijayanti, Abubakar Tuhuloula, Laras Subekti, Marlia Aisyah, Idora Diah Pitaloka, Siti Nurmajidah

Congratulations! Your paper 47 ('The Effect of Plastic Type on The Yield and Quality of Lignite and Plastic Waste Pyrolysis Products') has been fully accepted and will be presented in The 2020 International Conference on Science in Engineering and Technology (ICoSiET). ICoSiET 2020 will be held on October 21-22, 2020 in Palu, Indonesia. However, We are delighted to inform you that we will use Zoom to deliver our online conference if the participant doesn't possible to attend the conference due to COVID-19 Outbreak.

Make sure that you have registered yourself as a speaker through the conference website: <http://icosiet.org/2020/registration>.

The other queries that you have to do are:

- 1) Prepare your presentation file for 15 to 20 minutes duration (in *.PDF, *.PPTX, *.PPT, or URL Video).
- 2) Prepare your FINAL PAPER (in an editable file, such as in *.DOC, *.DOCX format). Ensure the similarity score is less than 20%, the images/tables in good resolutions, and you have proofread the English quality carefully.

Both files should be uploaded to <https://forms.gle/kTZrN9RC7f5hD2CWA> before October 18, 2020.

The schedule of the program and the technical information of the conference will be updated soon and send to your email.

Thank you for choosing the ICoSiET 2020 to present your research results.
We are looking forward to welcoming you to ICoSiET 2020.

Best Regards,

Dr. Eng. Rifai
General Chair of ICoSiET 2020

Dear Colleague,

You are cordially welcome to submit a full paper to “the 2nd International Conference on Science in Engineering and Technology, 22nd Sustainable Environment and Architecture (ICoSiET-SENVAR 2022)”, which will be held virtually on 10 - 11 August 2022.

After The Covid-19 pandemic attack all around the globe, A virtual world has become a necessity, shifting people’s lifestyles to a certain degree. The urban environment should prepare for the New Normal Era. In this era, we will face tantalizing global challenges to provide safe, healthy, smart and sustainable living by elaborating the virtual world and reality.

ICoSiET SENVAR 2022 intends to promote multi-disciplinary and international academic discussion, debate, and research collaboration on “the Green-Smart Planning and Design for the Present and the Future Built Environment”. Multi-disciplinary scholars in the fields of architecture, civil engineering, electronics and electrical engineering, mechanical engineering, information technology, spatial planning, and urban studies worldwide are warmly welcomed to attend this virtual conference.

Accepted & Selected paper will be published in EES IOP Proceeding or IRSPSD Journal (WoS & Scopus Q2) or IJAIN Journal (ScopusQ4)

Please submit your paper via <https://bit.ly/3nTWRDb>. The Full paper submission deadline is August 6th, 2022.

Dear Authors,

Thank you very much for your participation in The 2020 International Conference on Science in Engineering and Technology (ICoSiET) which will be held Virtually on October 21-22, 2020.

We deeply apologize for the delayed publication progress of the ICoSIET 2020 proceedings on the IOP publishing scheduled on the 3rd quarter of 2021 (<https://iopublishing.org/mse-forthcoming-volumes/>) due to some reasons. However, currently, we are on finalizing the proceedings and expected will be published soon within 1-2 months.

We will update soon if there is any progress of this publication.
Thank you very much for your understanding.

Hope you keep safe and healthy during this time.

Best Regards,

Technical Program Committee
