Dear Awej editor,

Greetings and may you and the teams always be in a great condition.

Anyway, I have a question and need a quick respond if possible.

I sent my paper in september if I am not mistaken, related to literature as the issue cor november. However, there was no respond to. Does it mean the paper will not be selected? Or is there any revision I need to do as the previously?

Thank you and I really looking forward your reply.

Best regards,

Asmi Rusmanayanti
