Dear Author,

I extend my thanks for submitting your manuscript for our consideration. The manuscript has been reviewed and based on reviewer's comments it has been decided that the paper can be accepted if revision is made point-by-point according to the reviewer's comments. Please mark the changes in RED.

We are always keen to publish your paper as soon as possible. However, due to a large number of submissions, we cordially request you to send the revised version. This will give us sufficient time for processing of paper and other formalities for the coming issue.

Special instruction:

1. i) Please delete the comments made on the right side of the manuscript and send us a fresh copy.

Always mention the manuscript number email.
