Dear colleague,

Please find attached the reviewers' evaluations for your submitted manuscript as a revised edition of the manuscript.

Kindly effect the recommended corrections and send it back to me as soon as possible. Please write out your responses for each of the points raised by the reviewer or the step by step actions taken. **You may also highlight where you effected the corrections on your revised manuscript.** Subsequent evaluations may be sent to you if the need arises.

**NOTE:** Kindly indicate with red text color in the revise manuscript for old changes while new changes should involve another text color in other to avoid confusion. Remove irrelevant or deleted words from the revised manuscript before you proceed for re-submission.

Best regards

Steph. O. Jhanathin

Dear Colleague,

I have attached the Galley Proof of your article, please read carefully and if you notice any typographical mistake, any errors or changes you would like us to make in an MS word file. If you prefer to make any change directly to the PDF file, please indicate it with a different color (red for addition and blue for deletion).

NB. If you find any difficult to make corrections in PDF file.

You can print out the PDF file that we sent for Galley Proof. Point out the mistake area exactly and write the correction with pen in clear and readable form. Then can it and send it with email attachment to us.

Please check to see that all references are listed and do indicate if there is any reference that needs to be deleted.

**IMPORTANT NOTE:** We will greatly appreciate if you send your reply within 24 hours to include the manuscript in current issue. However, if you delayed more than two days, it will be understood that you agree for the paper to be published in its current issue and you can't add anything to the paper after publishing.

Thank you

Yours sincerely,

Robert Akpoiduo

Publication Manager
