Dear Prof. Eko Handayanto,

JDMLM Editorial Office <editor.jdmlm@ub.ac.id> Fri, Dec 23, 2022, 7:12 AM

We have submitted a revised version of this manuscript in which all of the points raised by the reviewers and editors are addressed. We thank the reviewers and editors for their comments and suggestions. We sincerely believe that in this regard, they are responsible for substantial improvements to our manuscript.

We are pleased to inform you that your revised manuscript entitled **"Reduction in acidity and heavy metal concentrations of acid mine drainage with organic matter and coal fly ash treatments in two different reclaimed soils"** has been **accepted** for publication in the Journal of Degraded and Mining Lands Management.

Best regards,

We are sending herewith the Acceptance Letter and the Galley Proof of your ready-to-publish article for proofreading. Please kindly go through it keenly and point out any mistakes. After this stage, the authors will be responsible for errors in the final manuscript. Kindly send the corrections (if any) back to us through this email address **before**

December 2022. The article will likely come in Vol. 10, No. 3 (1 April 2023) because Vol. 10, No. 2 (1 January 2023) is already full.
