Dear Author(s),

Your camera ready paper titled "Effect of Feature Engineering Technique for Determining Vegetation Density" was sent to the and processing and there are some shortfalls noticed in your camera ready submission:

- Equations 8 and 9 are not as per the paper format. Equations must be typed into the document rather than pasted :

Kindly make the suggested corrections **in the attached file only** and submit a revised version of your paper on or before 28 IJACSA July 2022.

Looking forward to your response.
