Dedication

Dedicated to my wife Sweta and daughter Aashwita.

Kuldeep Bauddh

Dedicated to my wonderful and blessed wife of 48 years, and our 4 beautiful daughters, 4 sons-in-law, and 10 amazing grandchildren. Proverbs 31:10-31 and Psalm 127:3-5.

John Korstad

Dedicated to my mother Mrs. Geeta Sharma and daughter Adya Jha.

Pallavi Sharma

Contents

1

Chapter 16: Gold mining industry influence on the environment and possible phytoremediation applications 373

Elena-Luisa Iatan

16.1	Introduction	373
16.2	Environmental pollution sources of gold extraction.....	374
16.2.1	Open pits.....	374
16.2.2	Underground mining.....	374
16.2.3	Tailings and waste rock	375
16.2.4	Acid mine drainage.....	377
16.3	Effect of mine pollution on water, soil, and sediments.....	378
16.3.1	Water pollution	378
16.3.2	Soil and sediments pollution.....	379
16.4	Heavy metal toxicity in the gold mine environment.....	380
16.4.1	Heavy metal properties.....	380
16.4.2	Factors affecting heavy metal phytoavailability	383
16.4.3	Heavy metal phytotoxicity.....	385
16.5	Phytoremediation strategies/technologies	387
16.5.1	Phytostabilization	387
16.5.2	Phytoextraction	388
16.5.3	Phytovolatilization.....	390
16.5.4	Rhizofiltration.....	391
16.5.5	Phytostimulation	392
16.5.6	Phytodegradation	392
16.6	Phytoremediation applications	393
16.6.1	Plant selection considerations.....	393
16.6.2	Heavy metals phytoremediation: Cu, Pb, Zn, Cd, As, and Hg	394
16.6.3	Advantages and limitations of phytoremediation.....	398
16.7	Conclusions	399
	References.....	400

11

Chapter 17: Potential of Purun tikus (*Eleocharis dulcis* (Burm. F.) Trin. ex Hensch) to restore the Iron (Fe) contaminated acid mine drainage by using constructed wetland 409

Nopi Stiyati Prihatini and Soemamo

17.1	Introduction	409
17.2	Geography and ecology on Purun tikus (<i>E. dulcis</i>).....	411
17.2.1	Habitat Purun tikus	412
17.2.2	Utilization Purun tikus.....	412
17.2.3	Nutrients need.....	413
17.3	CWs planted with Purun tikus	414
17.4	Role of Purun tikus in constructed wetland.....	416
17.5	Purun tikus seedlings, planting space, and growth in the constructed wetland system	420
