Dear Authors,

I am delighted to inform you that your papers have now been sent to the publisher to be uploaded to the journal site as issue No 8.4. This will happen within the next week.

In the meantime, the publication fee of 150 US is due as per the attached details.

It is appreciated if this can be settled.

Thank you for your interest in our journal and the contribution you made to our journal.

The fee is small compared to many other journals and is to cover the expenses involved in this endeavour.

Sincerely,

Ranjith Dayaratne

Archt. Prof. Dr. Ranjith Dayaratne,
Professor of Architecture, Society and Culture
Dept of Architecture and Interior Design
University of Bahrain
