Morressier

Hi there,

Thank you for your Paper submission to 'ISCEER-2021'. The Editor has requested that you resubmit your Paper 'Utilization of coconut shell ash as a substitute material in paving blocks manufacture' with some changes. Please go to My submissions to see any comments from the Reviewers or Editor and submit an updated version of your Paper.

Please note that your revised Paper must be a camera-ready PDF without any highlighted changes. A summary of the changes you have made to your Paper should be included in your Response to Reviewers, which you may upload as a separate document.
