[JPP] Confirmation of Article Evaluation Process [External] [Inbox](#)

Jurnal Pendidikan Progresif <jurnal@fkip.unila.ac.id> to me •

Dear Dr. Andi Ihsan Mahardika

We received your article submission. Thank you very much for your interest in Jurnal Pendidikan Progresif.

After a pre-assessment with careful consideration by the members of the Editorial Board and Executive Committee, your article was decided to be accepted for further evaluation processes. However, We are preparing articles for publication in April 2022, so looking at the publication time and our standard peer review policy, it seems that it is no longer possible to process your article through a standard peer-review. See our peer review policy: <http://jurnal.fkip.unila.ac.id/index.php/jpp/about/editorialPolicies/peerReviewProcess>

If you wish to publish your manuscript in JPP, We provide you two options: (a) Fast Track Review, where your article will be able to be reviewed quickly by independent peer reviewers. Estimate review time is 1-2 weeks and possible to publish in the nearest issue. (b) retract your manuscript and submit it again for possible consideration in next year's issue.

As a note for the fast track option, If accepted by reviewers, the author should pay a publication fee of 3,000,000 IDR as an author share of production costs. If it is acceptable for you, let us know then we will start the article evaluation process.

If you disagree with these two options then you can withdraw your article from our publication.

We are waiting for your response to continue or discontinue your article evaluation process. Thank you

Best Regards
