Preliminary Program and Registration Deadline 3rd Asia Pacific IEOM Malaysia Conference, Sept. 13-15, 2022

Dear Monica Rahardian Ary:

We hope you are doing well. The Third Asia Pacific Industrial Engineering and Operations Management Conference, hosted by Universiti Teknologi Malaysia (UTM) and Universitas Sebelas Maret (UNS), Surakarta, Indonesia is only a little over two weeks away. The event will be virtual via zoom. We will zoom links close to the event. There will be 7 zoom links for 7 meeting rooms. Each room will have the same zoom link so that participants can switch room to room easily.

A preliminary program is prepared. All papers and abstracts must be presented via zoom during the conference event – September 13-15, 2022. Each presentation is for 15 min (12 min for presentation + 3 min for Q&A). You will share your PPT during presentation. Keynote presentation is for 40 min: 30 min for presentation and 10 min for Q&A. Global engineering education, industry solutions, and global business management education presentations will have 20 min for each presentation. Presenters should join their assigned room a few minutes before the start of the session. Please check your presentation time and day and compare with your local time. All program times are in Malaysia Time.

Preliminary Program: <http://www.ieomsociety.org/program-malaysia2022.pdf>

We have more than 750 submissions from more than 40 countries. To accommodate more than 500 presentations in three days, there will be 7 parallel sessions. Morning sessions will start at 8:00 am. Each session is 105 minutes and then 15 min breaks between sessions. Keynote will be from 10 am to 1 pm. Lunch and prayer break from 1 pm to 2 pm. Then there will be four session blocks starting 2 pm, 4 pm, 6 pm and 8 pm.

In room 1, there are two panels everyday starting at 4 pm and 6 pm in Room 1.

- September 13 (Tuesday): Halal Supply Chain Panel at 4pm and Women in Industry and Academia Panel Session at 6 pm
- September 14 (Wednesday): Lean Six Sigma Panel at 4 pm and Renewable Energy Panel at 6 pm
- September 15 (Thursday): Technoprenurship Panel at 4 pm and Diversity and Inclusion Panel sponsored by Ford Motor Company at 6 pm

Welcome to the 3rd Asia Pacific IEOM Conference in Johor Bahur, Malaysia

To All Conference Attendees:

On behalf of the IEOM Society International and its Global Council, we would like to welcome you to the 3rd Asia Pacific Conference on Industrial Engineering and Operations Management. This unique international conference provides a forum for academics, researchers, and practitioners from many industries to exchange ideas and share recent developments in the field of industrial engineering and operations management. This diverse international event provides an opportunity to collaborate and advance the theory and practice of major trends in industrial engineering and operations management. The theme of the conference is "Industrial Engineering and Operations Management for Industry 4.0". The program includes many cutting-edge topics in industrial engineering and operations management.

The IEOM Society acknowledges and thanks the hosts of this event, Universiti Teknologi Malaysia (UTM) and Universitas Sebelas Maret (UNS), Indonesia. The Organizing and Planning Committee of this conference was outstanding. The conference is chaired by Dr. Jafri Mohd. Rohani, Associate Professor, Materials, Manufacturing & Industrial Engineering, School of Mechanical Engineering, Faculty of Engineering, Universiti Teknologi Malaysia, and Dr. Ir. Wahyudi Sutopo, ST., M.Si, IPM, Professor, Department of Industrial Engineering, Universitas Sebelas Maret (UNS), Indonesia and President, IEOM Indonesia Chapter & Director, IEOM Asia Pacific Operations. Dr. Supoto is a member of the IEOM Society Global Council.

The conference Organizing and Planning Committee has brought together outstanding keynote speakers for the event. The conference will feature many of the issues concerning the continuous improvement of quality and service. Our keynote speakers will address some of these issues:

- Dr Elsayed A. Elsayed, Distinguished Professor, Rutgers University, New Jersey, USA
- Dr Muhamad Nurjayadi Tamam, Director, Malaysia Productivity Corporation, Malaysia
- Dr Wawan Dhewanto, Professor of Entrepreneurship, Institut Teknologi Bandung, Indonesia
- Casey Ang, Founder, Lenoxcells Consulting, Malaysia
- Duc Truong Pham, Chance Chair of Engineering, University of Birmingham, UK
- Dr Mohd Azman Idris, Senior General Manager, SIRIM STS Sdn Bhd, Malaysia
- Dr Mohamad Sattar Rasul, Chairman of STEM Enculturation Center, Universiti Kebangsaan Malaysia
- Dr Muhamad Nizam, Professor, Sebelas Maret University, Indonesia
- Prof Kerstin Johansen, Senior Associate Professor, Jonkoping University, Sweden
- Paul Odomirok, President and CEO, Performance Excellence Associates, Florida, USA
- Nigel Grigg, Professor of Quality Systems, Massey University, New Zealand
- David Khaw, President, Project Management Institute Malaysia Chapter, Malaysia
- Dr Matloub Hussain, Professor of Operations and Supply Chain Management, University of Sharjah, UAE

Conference Program: <http://www.ieomsociety.org/program-malaysia2022.pdf>
Malaysia Time Zone

Information for Presenters:

Each presenter will share his or her PowerPoint presentation via zoom. All technical presenters have 12 minutes for their presentations and an additional 3 minutes for questions and answers. Keynote presentation is for 40 min: 30 min for presentation and 10 min for Q&A. Global engineering education, industry solutions, and global business management education presentations will have 20 min for each presentation. Presenters should join their assigned room a few minutes before the start of the session. Doing so will allow time to communicate with the session chair. Please make sure that you have a good internet connection during the presentation. All presentation times are in the Malaysia time-zone. Please check the conference program to verify your local time. Take a screen shot as a proof of your presentation. Zoom hosts will also keep a track of who is presenting and who is not presenting. All papers must be presented via Zoom Links:

Zoom Audio and Video

We request that the authors have their slides in a PowerPoint format ready to share on the Zoom screen. We strongly encourage participants to familiarize themselves with the Zoom platform, including muting, unmuting, sharing screens, raising a hand for a question, writing questions or comments in the chatroom, etc. All participants, except presenters, session chairs, and IEOM staff, will be muted. Please be aware there are always unexpected issues that arise and that are beyond our control. As this event is an international virtual conference, unforeseen problems may occur. We appreciate your patience and consideration.

The 3rd Asia Pacific Conference will continue to offer a special session on Global Engineering Education. This session will feature distinguished speakers who will discuss workforce readiness. Featured speakers will address engineering education challenges and opportunities. The Industry Solutions Track will address industry needs to survive in a highly competitive environment. This session will bring together distinguished practitioners who are dedicated to Industry 4.0 and will share their experiences in the implementation of the process.

The IEOM Society would like to express our deep appreciation to our sponsors, university partners, organization partners, exhibitors, authors, reviewers, keynote speakers, panelists, track chairs, advisors, the local committee, and the many volunteers who have given so much of their time and talent to make this unique international conference an overwhelmingly successful event.

IEOM Team likes to thank all local partners and global partners including:

- UTM – Universiti Teknologi Malaysia
- UNS – Universitas Sebelas Maret, Surakarta, Indonesia
- UIN Sunan Kalijaga
- State Islamic University of Sultan Syarif Kasim Riau (Universitas Islam Negeri Sultan Syarif Kasim)
- Universitas Tarumanagara

Day 3 (Final Day) – 3rd Asia Pacific IEOM Conference in Johor Bahru, Malaysia

Dear Monica Rahardian Ary:

Thanks for attending the second day of the 3rd IEOM Asia Pacific Conference on Industrial Engineering and Operations Management, hosted by Universiti Teknologi Malaysia (UTM) and Universitas Sebelas Maret (UNS), Indonesia. Day 2 programs also went well with outstanding keynote speakers, two outstanding panel sessions on lean six sigma and renewable energy, continuations of the competitions and technical presentations. Again thanks to judges for evaluating the competitions, authors for presenting and zoom hosts for coordinating zoom sessions.

Conference Program: <http://www.ieomsociety.org/program-malaysia2022.pdf>
Malaysia Time Zone

All papers must be presented via zoom. Please keep a screen shot as a record of your presentation. Thanks for presenting it. Due to internet issues and time difference confusions, some presenters could not make the presentation on time. Those presentations can be presented at the end of the sessions in any room if there are open slots. Please ask session chairs or zoom hosts. Thanks for presenting all papers.

Information for Presenters:

The IEOM Global Council instructed the IEOM Executive Team that the paper quality is the first priority of the IEOM Society International. All papers must have data, numerical, graphical and statistical results. The paper must follow the exact IEOM format including reference citation using last name and year. Please address all review comments and improve your paper. IEOM editors may contact you if there are any issues with your paper. Please see the templates, reference guidelines and paper checklist to prepare your final paper for IEOM proceeding ready. Thank you so much for producing a high quality paper.

Starting Day 3 (Final Day) Keynote Now– 3rd Asia Pacific IEOM Conference in Johor Bahru, Malaysia

Please join room 1:

- Zoom Room 1: <https://us02web.zoom.us/j/82374240729?pwd=dW1qNTRsbTcrV1cxN2RQUmtYZzVWZz09>

Thanks for attending the second day of the 3rd IEOM Asia Pacific Conference on Industrial Engineering and Operations Management, hosted by Universiti Teknologi Malaysia (UTM) and Universitas Sebelas Maret (UNS), Indonesia. Day 2 programs also went well with outstanding keynote speakers, two outstanding panel sessions on lean six sigma and renewable energy, continuations of the competitions and technical presentations. Again thanks to judges for evaluating the competitions, authors for presenting and zoom hosts for coordinating zoom sessions.

Conference Program: <http://www.ieomsociety.org/program-malaysia2022.pdf>

Malaysia Time Zone

All papers must be presented via zoom. Please keep a screen shot as a record of your presentation. Thanks for presenting it. Due to internet issues and time difference confusions, some presenters could not make the presentation on time. Those presentations can be presented at the end of the sessions in any room if there are open slots. Please ask session chairs or zoom hosts. Thanks for presenting all papers.

Information for Presenters:

Each presenter will share his or her PowerPoint presentation via zoom. Here are the links for seven zoom rooms. Please do not share with others.
