Dear Author,

I extend my thanks for submitting your manuscript for our consideration. The manuscript has been reviewed and based on reviewer's comments it has been decided that the paper can be accepted if revision is made point-by-point according to the reviewer's comments. Please mark the changes in RED.

We are always keen to publish your paper as soon as possible. However, due to a large number of submissions, we cordially request you to send the revised version within 7 days. This will give us sufficient time for processing of paper and other formalities for the coming issue.

Note: Always mention the manuscript number email.

Sincerely,
Editor in Chief

Words are attached to each other like this:

Limitedlandresourcesaffectthelandconversionthatcausethethechangeinlandcoverconditions, causedbytheneedfor land, which is inverselyproportionaltotheavailabilityof land. Landcover in the SatuibasininSouthKalimantan province ofIndonesiachanged rapidly.Community activitiesonthelandhavecausedchangesin thelandcoverthathavenegativeim pactson

Please fix the problem.

Dear Author(s): Badaruddin, Syarifuddin Kadir, Karta Sirang, Renda Sigit Susanto

Congratulations! We are happy to inform you that, your submitted paper entitled: '**Exploring land cover changes in Satui Watershed of South Kalimantan through geographic information system (GIS)**' has been published in the "**Journal of Biodiversity and Environmental Sciences**" Journal. You can take advantage of the published paper for valid reference or scientific purpose and can share in global scientific community, social media & library.

Here some necessary document links for the published paper below:

Published paper link: <http://www.innspub.net/jbes/exploring-land-cover-changes-satui-watershed-south-kalimantan-geographic-information-system-gis/>

Cover page link: [Create cover and Download](#)

Certificate for the publication link: [Create certificate and Download](#)

The published paper will be available forever in the archive of the Journal of Biodiversity and Environmental Sciences journal of 'International Network for Natural Sciences website. INNSPUB store it as an effective research findings and publications for the mankind.

Thank you very much for choosing and being with the INNSPUB publication Network.

Regards,

International Network for Natural Sciences
