Dear author(s),

Here I attach your article that will be published in Journal of Tropical Life Science Vol 6 (2016).

Please check your proof carefully and please make sure that given names and surnames of authors have been identified correctly.

Please mark your correction using highlight and add comments, also you can send us separated list of the parts of your article that need to be corrected.

Please send back your confirmation in 2x24 hours to this email.

Thank you.

Regards,
JTLS Secretary

Dear JTROLIS.

Thank you for this information. I think there is not anything to corrected in this article.

Kindest Regards.
Author.
