Dear Dr. Susi Susi,

Congratulations for publishing your new paper. This mail is regarding post-publication management of your published papers. It is proven by different researches that citations of any paper depend not only on the quality of published paper but also on the "Post-publication management". Recent investigations suggest when researchers explain and share their work, it can increase downloads of the full text by 23% (See here: <https://goo.gl/gLTTTs>).

Therefore, as part of our post-publication support we strongly suggest you to use the following services to boost your citations

1. Share your paper in HAL (<https://hal.archives-ouvertes.fr/submit/index>)
2. Share your paper in SSRN (<https://hq.ssrn.com/login/pubsigninjoin.cfm>)
3. Share your paper in ResearchGate (<https://www.researchgate.net/signup.SignUp.html>)

As post-publication support, we'll be submitting your paper to different indexing organizations. With the technical help of Google, authors can see real-time data of different interesting Article Metrics like Article download, Article access, etc. See [example 1](#), [example 2](#), [example 3](#), etc.

Thank you for your interest in this Journal.

With Best Regards
