Website: <http://icates.unsyiah.ac.id> ; Mobile: +6285314534351

Paper Acceptance 74/ICATES/FP/TP/2022

07 August 2022

IOP-74

Dear

Susi Susi, Makhmudun Ainuri, W Wagiman and M A F Falah

We are pleased to inform you that your paper entitled: “*Effect Of Delignification And Bleaching Stages On Cellulose Purity Of Oil Palm Empty Fruit Bunches*” is **accepted**. Please upload your final ready paper in MS Word file to this URL: <https://bit.ly/ICATES-2022-MSword>

Accepted and presented paper will be submitted for the publication in IOP EES scheduled in 4th quarter 2022 of the forthcoming volume: <http://iopublishing.org/ees-forthcoming-volumes/>. Detailed information and conference program can be found in our official website at <http://icates.unsyiah.ac.id/>.

Please feel free to contact us if you have any questions regarding the conference by citing your abstract ID. Thank you very much for your interest, and we look forward to working with you on a successful conference.

Cordially yours,

Dr. T. Ferijal, M.Sc

Chairperson ICATES 2022, Banda Aceh-Indonesia

Hi there,

Thank you for your Paper Submission to 'ICATES-2022'. Your Submission 'Effect of delignification and bleaching stages on cellulose purity of oil palm empty fruit bunches' has been provisionally accepted by the Conference Editors. If your Paper is also accepted by the Publisher, you will be notified again when it enters the Production stage.

If you have any problems, please don't hesitate to ask for assistance or advice. Reach us by email at support@morressier.com or through the "Get help" option in your personal menu.

Hi there,

Thank you for your Paper Submission to 'ICATES-2022'.

The Editor has requested that you resubmit your Paper 'Effect of delignification and bleaching stages on cellulose purity of oil palm empty fruit bunches' with some changes. Go to My Submissions to see any comments from the Reviewers or Editor and submit an updated version of your Paper. The Deadline for resubmitting is October 25, 2022.

Please note that your revised Paper must be a camera-ready manuscript without any highlighted changes. A summary of the changes you have made to your Paper can be included in your Response to Reviewers, which you may upload as a separate document.
