Dear Dr. Ciorstan Smark,

Congratulations. Your abstract has been accepted by the review committee. We will send you an email shortly with the details of the registration process. If you have any colleagues that may still be interested in attending the conference, please let them know that they can still submit an abstract up until 10 October 2014. If they want to have the paper published they will need to submit a completed paper by that date.

Thank you for your interest in the conference and we look forward to seeing you in Bali in November.
