### Dr. Ahmad Humayan Kabir

Editor-in-Chief of *International Journal of Biosciences (IJB)*

Dear Editor:

Please find enclosed our manuscript entitled “**ASSESSMENT OF EROSION HAZARD LEVELS ON VARIOUS LAND COVER TYPES IN PANJARATAN SUB WATERSHED**” which we request you to consider for publication as an *Original Article* in the *International Journal of Biosciences (IJB)*

Theoretically the results of this study can provide scientific information about The quantitative method of erosion rates by calculating the Universal Soil Loss Equation which is supported by GIS tools. There is a relationship between erosion and population pressure and land use patterns.

This manuscript has not been published elsewhere and is not under consideration by another journal. We have approved the manuscript and agree with submission to the *International Journal of Biosciences (IJB)*. There are no conflicts of interest to declare.

I beg and sincerely hope that this article will be received as soon as possible. Thank you for accepting our manuscript and considering it for review. We value your time and look forward to hearing from you at your earliest convenience.

Sincerely,

### Nurlina
