Dear Mohammad Rudiansyah, Hendra Wana Nuramin, Leonardo Lubis, Ria Bandiara, Rully Marsis Amirullah Roesli, Dedi Rachmadi,

I am pleased to inform you that your manuscript titled as "COVID-19 and Kidney Diseases in Indonesia" (Manuscript Number: SRP-2020-08-520) was accepted for publication in the Systematic Reviews in Pharmacy.

Author should incorporate suggestions/comments of reviewer in final version of manuscript. Reviewer comments are mentioned at the end of this letter.

You could check your possible publication date at your author page.

You may login to your author account page, and visit accepted articles section in order to get official/formal acceptance letter as PDF.

I would like to remind that you could send your future manuscripts to Systematic Reviews in Pharmacy.

Sincerely yours,

#imagesignature#

Reviewer's Comments:

Possible cause of kidney failure due to COVID-19 can be following:

1-Virus can infect kidney cells, kidney cells have receptors, which help the virus to invade inside the kidney cells

2-Abnormal low level of oxygen in kidney cells, due to pneumonia

3-Cytokines

4-Blood clot due to COVID-19 that might clog the kidney cells

Author can also include these points in review
