Dear Dr Rudiansyah,

Original abstract number: WCN19-0951

Abstract title: THE FACTORS AFFECTING INTRADIALYTIC HYPERTENSION IN ROUTINE HEMODIALYSIS PATIENTS AT ULIN GENERAL HOSPITAL BANJARMASIN INDONESIA

Thank you for submitting your abstract to the ISN's World Congress of Nephrology 2019. We are pleased to inform you that your abstract as listed above has been selected by the Scientific Program Committee for poster presentation at the congress.

Please find below important instructions for the preparation of your presentation at the congress. We recommend you to carefully read through all information provided.

Poster session

Your poster will be presented during one of the poster sessions held at the congress. During the time of the poster session you are expected to be physically present at your poster as it will be viewed. We will send you the exact time and date of your poster presentation, as well as your posterboard number in mid-February. At that time we will also inform you whether your poster session will be moderated.

-

Posters should be the following size: A0-size (1189 mm High x 841 mm Wide), portrait orientation.

Larger posters in a different orientation will not fit on the poster boards.

Abstract publication

Accepted abstracts will be published electronically in the searchable databases of the WCN 2019 and Kidney International Reports (an official journal of the International Society of Nephrology). No printed abstract book will be produced.

Registration

IT IS MANDATORY FOR THE PRESENTING AUTHOR TO REGISTER TO THE CONGRESS BY JANUARY 31, 2019 in order to have the abstract published as described above and for poster/oral presentation.

WCN 2019 provides Early Bird Registration for all poster presenters provided they register before January 21, 2019. If you are not yet registered, you can do so by simply clicking on the following link and following the instructions. <http://www.isnwc2019.org/registration-home/register>

IMPORTANT! It is necessary to register using the same login details you have used for submitting your abstract, otherwise we will not be able to link your abstract to your registration. For your convenience find your login details below:

User name: rudiansyah.mohammad

Password: 3553@deth

If the presenting author is unable to present the abstract, another co-author can take his/her place as long as he/she is duly registered to the congress. A letter from the presenting author informing about the change is requested and must be sent to the congress secretariat, email: aroccato@Theisn.org no later than January 31, 2019.

If abstract presenters fail to register by January 31, 2019, no abstract will be published. There will also be no poster/oral presentation at the congress.

Accommodation

After registering we remind you to also secure your accommodation in one of the designated congress hotels. Note that demand on hotels in Melbourne is high so booking early is strongly advised. Bookings can be made through the official housing agency via <http://isnwc2019.org/travel-venue/accommodation>

Poster printing service

The World Congress of Nephrology 2019 has selected Snap South Melbourne as their preferred poster printing service for WCN 2019.

This service is the simple and most convenient way to print your poster and have it delivered at the Poster help desk at the congress in Melbourne for onsite pick up.

Additional information about this service including printing fees and the link to submit your poster for printing is available at the congress web <http://www.isnwc2019.org/abstracts> .

Please take note there will be no onsite poster printing service.

For any queries about the poster printing service, please contact southmelbourne@snap.com.au , clearly stating WCN 2019 and your abstract number..

-

We congratulate you again on having your abstract selected for presentation at the ISN World Congress of Nephrology 2019. We appreciate your participation and look forward to seeing you in Melbourne.

Yours sincerely,

Stephen Holt and Arpana Iyengar
