Your ACM Copyright Form for paper "Pandemic Pedagogy in The Era of Digital Transformation" in ICLIQUE 2021: Proceeding of The 5th International Conference on Learning Innovation and Quality Education has been accepted and is attached for your records.

For reference the DOI for your paper is <https://doi.org/10.1145/3516875.3516911>.

If there are errors in either the title or author listing, please contact the proceedings coordinator for this publication, to receive a blank form to be completed for your accepted paper.

When preparing your paper for submission using the ACM TeX templates, the rights and permissions information and the bibliographic strip must appear on the lower left hand portion of the first page.

The new [ACM Consolidated TeX template Version 1.3 and above](#) automatically creates and positions these text blocks for you based on the code snippet which is system-generated based on your rights management choice and this particular conference.

NOTE: For authors using the ACM Microsoft Word Master Article Template and Publication Workflow, The ACM Publishing System (TAPS) will add the rights statement to your papers for you. Please check with your conference contact for information regarding submitting your source file(s) for processing.

Please put the following LaTeX commands in the preamble of your document - i.e., before \begin{document}:

```
\copyrightyear{2021}
\acmYear{2021}

Dear Rizky Amelia,

The PDF and HTML proofs for your paper, "Pandemic Pedagogy in The Era of Digital Transformation (ID: 36)", are now available for your review. For your convenience, the PDF proof is attached to this email. You may review the HTML version of the article on the author dashboard of The ACM Publishing System (TAPS) (<http://camps.aptaracorp.com/AuthorDashboard/dashboard.html?key=0&val=af1a2e53-8b5c-11ec-b613-166a08e17233>).

After you have reviewed the proofs for your article and there are no further revisions that need to be made, you will then need to approve your article in TAPS. If we do not receive your approval of your article within the necessary timeframe for publication, it may be necessary for the conference's leadership to move your article through the remainder of the production process to ensure the proceedings volume is published in a timely manner.

Should you have any issues, please contact confsupport@aptaracorp.com for assistance.

Sincerely,
ACM TAPS Production Support Team
