CL Editorial board

Dear Rizmi Yunita:

Thank you for submitting the manuscript #111549 "[FRESHWATER FISHES IN RIAM KANAN, SOUTH KALIMANTAN, INDONESIA](#)" to Check List.

Unfortunately, we noticed that it does not comply with the journal's standard requirements. However, since the editorial staff considered its scientific value and it falls within the journal's focus and scope, you are kindly asked to submit a revised version to be sent out for review. Please check the editorial team's notes, if any, have a close look at the author and submission guidelines on the Check List's website, and make sure to add a short response to the editor. Without such a response the handling of the manuscript will be delayed or the manuscript may get rejected without further consideration. When you apply the requested corrections, please replace the files accordingly and submit the manuscript by 29/11/2023 if not sooner. Kindly inform us if you will need more time to submit the revised version.

Once again, thank you for choosing Check List as the venue for your work.

Dear Rizmi Yunita:

The proof (in PDF format) of your manuscript #111549 "[FRESHWATER FISHES IN RIAM KANAN, SOUTH KALIMANTAN, INDONESIA](#)" has been uploaded on the Check List website for checking.

Please read through the proof carefully and mark all errors by using Sticky Note and Text Edit tools of Acrobat. Alternatively, you could upload a list of your corrections in a text file (e.g. DOC or RTF), specifying the exact page, paragraph and line of each correction and suggested text for replacement. Sending a list of corrections through email is possible, but not encouraged as it may cause unnecessary delay in processing your manuscript.

We expect an upload of your corrections on the journal's website within 3 days, by 14/03/2024, if not sooner. Please kindly inform us if you need more time for checking the proofs.
