Dear Dr Taslim,

I am delighted to inform you that your manuscript, "Aromatic Biomass (Torch Ginger) Leaves-derived 3D Honeycomb-Like Carbon to Enhance Gravimetric Supercapacitor", is now accepted for publication in the Journal of the Science of Food and Agriculture. Within the next few days the corresponding author will receive an email from Wiley's Author Services system which will ask them to log in and will present them with the appropriate license for completion. Your article cannot be published until the publisher has received the appropriate signed license agreement.

The article will be published online within the next few days as an Accepted Article. This will be an unedited version but will be fully citable and will constitute the paper's official publication date.

Once the paper has been copy-edited and typeset you shall receive the proofs. Please check the proof carefully and return any corrections. After any amendments have been made, the Accepted Article will be taken down, and the final version will be published in Early View, before being assigned to an issue.

If material from another publisher has been used, and you have not already done so, please provide scanned copies of the Permissions form by emailing them to JSFAproofs@wiley.com.

The Permission Request form can be found at:

<https://authorservices.wiley.com/author-resources/book-authors/prepare-your-manuscript/permissions.html>

Now that your manuscript has been accepted for publication you have the option to publish your article with open access so that it will be accessible to subscribers and non-subscribers of this journal. Your article can be published open access in return for a payment of an open access publication fee. You can complete the payment of the open access publication fee via the open access Form which you can find at:

https://authorservices.wiley.com/bauthor/onlineopen_order.asp

This journal offers a number of license options for published papers; information about this is available here: <https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/index.html>. The submitting author has confirmed that all co-authors have the necessary rights to grant in the submission, including in light of each co-author's funder policies. If any author's funder has a policy that restricts which kinds of license they can sign, for example if the funder is a member of Coalition S, please make sure the submitting author is aware.

Thank you for your support and we look forward to seeing more of your work in the future.

Yours sincerely,

Dr Hui Zhang
