Mr Pandu Yudha Adi Putra Wirabuana:

Your manuscript entitled ""The influence of land cover variation on soil erosion vulnerability around coal mining concession areas in South Borneo" has been reviewed by the Journal of Degraded and Mining Lands Management reviewers. As an initial decision, your manuscript was found interesting, but revisions, as suggested by three reviewers (attached), should be made to raise the quality of the manuscript.

Please revise your manuscript accordingly, and send the revised version to us through this email address (editor.jdmlm@ub.ac.id) before 20 November 2022.

All the best

Dear Editor,

We highly apologize for our late response to revise the manuscript since our team conducted an ecological survey in the reclamation area during early weeks in November.

Here is the result of manuscript revision and our letter of response to the reviewer's comments.

We hope that you still consider our paper as a publication in the Journal of Degraded and Mining Lands Management.

Thank you

Sincerely yours,

Pandu
