Manuscript number: JSFA-23-1516, "Aromatic Biomass (Torch Ginger) Leaves-derived 3D Honeycomb-Like Carbon to Enhance Gravimetric Supercapacitor" by Taslim, Rika; Taer, Erman; Yanti, Novi; Padang, Elfrida; Apriwandi, Apriwandi; Zulkarnain, Zulkarnain; N H, Haryanti; Deraman, Mohamad

Dear Dr Taslim,

Thank you for submitting the above manuscript to Journal of the Science of Food and Agriculture. The paper is under consideration and you will be informed of the status when the refereeing process has been completed.

Your manuscript will also be considered for JSFA's sister journal JSFA Reports and may be transferred via an opt-in system to that journal if it is not suitable for JSFA. For more information on JSFA Reports, please visit: <https://onlinelibrary.wiley.com/journal/25735098>

Our journal is currently transitioning to Wiley's Research Exchange submission portal. If you submitted this manuscript through our Research Exchange site, you can view the status of your manuscript by logging into the submission site at [wiley.atyponrex.com/journal/jsfa-wiley](http://wiley.atyponrex.com/journal/jsfa-wiley). If you submitted this manuscript through ScholarOne, you can view the status of your manuscript by checking your Author Center after logging in to <https://mc.manuscriptcentral.com/jsfa-wiley>.

and log in to your author centre.

Please remember in any future correspondence regarding this article to always include its manuscript ID number JSFA-23-1516.

If you have co-authors to this paper you must ensure that all are aware that the paper has been submitted to this journal.

Please note: The journal does accept colour figures and photographs, but there is a charge to authors to cover the additional production costs involved in printing colour.

This journal offers a number of license options for published papers; information about this is available here: <https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/index.html>. The submitting author has confirmed that all co-authors have the necessary rights to grant in the submission, including in light of each co-author's funder policies. If any author's funder has a policy that restricts which kinds of license they can sign, for example if the funder is a member of Coalition S, please make sure the submitting author is aware.

As a thank you for submitting your paper to JSFA we would like to offer you free e-membership to the Society of Chemical Industry (SCI). With this e-membership you will receive a free online copy of C&I magazine. To take advantage of this great opportunity please follow the link, select the 'e-Member' option complete the required information and enter the code: MOO22WM.  
<https://www.soci.org/members/registration?type=e-Member>

Thanks and best wishes,

JSFA Editorial Office  
[JSFA@wiley.com](mailto:JSFA@wiley.com)

P.S. Did you know that accepted papers are able to have images from or related to their manuscript on the cover of the journal? Please know, we are currently asking authors to contribute toward the production cost of cover illustrations. Please see our Cover FAQ at <http://olabout.wiley.com/WileyCDA/Section/id-828302.html> for details on cover image preparation.

If you experience technical problems associated with the submission web site, please click on the "Get Help Now" link at <http://mc.manuscriptcentral.com/jsfa-wiley>

Dear Rika Taslim,

Your revised manuscript entitled "Aromatic Biomass (Torch Ginger) Leaves-derived 3D Honeycomb-Like Carbon to Enhance Gravimetric Supercapacitor" has been successfully submitted online and is being delivered to the Editorial Office of *Journal of The Science of Food and Agriculture* for consideration.

Further information about your submission will come via email from our electronic editorial office platform, ScholarOne Manuscripts. You may review your submission using the following link:

<https://submission.wiley.com/submissionBoard/1/db8559b3-dc26-4758-8a2d-9ef88cb0782f>

Thank you for your manuscript submission.

Sincerely,  
The Editorial Staff at:  
Journal of The Science of Food and Agriculture  
[jsfa@wiley.com](mailto:jsfa@wiley.com)

By submitting a manuscript to or reviewing for this publication, your name, email address, and affiliation, and other contact details the publication might require, will be used for the regular operations of the publication, including, when necessary, sharing with the publisher (Wiley) and partners for production and publication. The publication and the publisher recognize the importance of protecting the personal information collected from users in the operation of these services and have practices in place to ensure that steps are taken to maintain the security, integrity, and privacy of the personal data collected and processed. You can learn more by reading our [data protection policy](#). In case you don't want to be contacted by this publication again, please send an email to [jsfa@wiley.com](mailto:jsfa@wiley.com).

27-Jun-2023

JSFA-23-1516.R1

Dear Dr Taslim,

I am delighted to inform you that your manuscript, "Aromatic Biomass (Torch Ginger) Leaves-derived 3D Honeycomb-Like Carbon to Enhance Gravimetric Supercapacitor", is now accepted for publication in the Journal of the Science of Food and Agriculture. Within the next few days the corresponding author will receive an email from Wiley's Author Services system which will ask them to log in and will present them with the appropriate license for completion. Your article cannot be published until the publisher has received the appropriate signed license agreement.

The article will be published online within the next few days as an Accepted Article. This will be an unedited version but will be fully citable and will constitute the paper's official publication date.

Once the paper has been copy-edited and typeset you shall receive the proofs. Please check the proof carefully and return any corrections. After any amendments have been made, the Accepted Article will be taken down, and the final version will be published in Early View, before being assigned to an issue.

If material from another publisher has been used, and you have not already done so, please provide scanned copies of the Permissions form by emailing them to [JSFAproofs@wiley.com](mailto:JSFAproofs@wiley.com).

The Permission Request form can be found at:

<https://authorservices.wiley.com/author-resources/book-authors/prepare-your-manuscript/permissions.html>

Now that your manuscript has been accepted for publication you have the option to publish your article with open access so that it will be accessible to subscribers and non-subscribers of this journal. Your article can be published open access in return for a payment of an open access publication fee. You can complete the payment of the open access publication fee via the open access Form which you can find at:

[https://authorservices.wiley.com/bauthor/onlineopen\\_order.asp](https://authorservices.wiley.com/bauthor/onlineopen_order.asp)

This journal offers a number of license options for published papers; information about this is available here: <https://authorservices.wiley.com/author-resources/Journal-Authors/licensing/index.html>. The submitting author has confirmed that all co-authors have the necessary rights to grant in the submission, including in light of each co-author's funder policies. If any author's funder has a policy that restricts which kinds of license they can sign, for example if the funder is a member of Coalition S, please make sure the submitting author is aware.

Thank you for your support and we look forward to seeing more of your work in the future.

Yours sincerely,

Dr Hui Zhang  
Associate Editor  
Journal of the Science of Food and Agriculture  
[JSFA@wiley.com](mailto:JSFA@wiley.com)

P.S. – You can help your research get the attention it deserves! Wiley Editing Services offers professional video abstract and infographic creation to help you promote your research at [www.wileyauthors.com/eoo/promotion](http://www.wileyauthors.com/eoo/promotion). And, check out Wiley's free Promotion Guide for best-practice recommendations for promoting your work at [www.wileyauthors.com/eoo/guide](http://www.wileyauthors.com/eoo/guide).

This journal accepts artwork submissions for Cover Images. This is an optional service you can use to help increase article exposure and showcase your research. For more information, including artwork guidelines, pricing, and submission details, please visit the Journal Cover Image page at [www.wileyauthors.com/eoo/covers](http://www.wileyauthors.com/eoo/covers).
