I have been collecting money for long. The online status would always say "ready for pick up" but in reality the US state should mentioned in the transaction. Yes, you cancel the payment from your end and make a new transaction following the instruction. If you have PayPal, do let me know.

There might be a misunderstanding about how to collect money that I sent to you. According to my agent (Kantor POS Indonesia) the money is in the status of "will call" meaning ready to collect. You just come to the nearest Western Union with ID card and tell them the number of MTCN which is 266-775-1343 and 366-624-6130 then they will pay you money USD 110.- and USD 10.-. May you to do it as my agent's suggestion. However if you still have the problem about this, please let me know another your bank account. I will do bank transfer to send money payment of my article publication through that bank account. Thanks

Your sincerely,

Sadik Ikhsan

Dear Author,

I could not collect the money because your agent did you mention the name of state. The state is Georgia and the country is United States of America. Please do the correction with your agent and send me the new receipt.

Dear Dr. Ahmad Kabir

I am very glad receiving your email telling me that my paper entitled "THE IMPACT OF CHANGES IN PRICES AND INCOME ON DEMAND PATTERNS FOR FOOD COMMODITIES IN BANJARMASIN CITY AND BANJARBARU CITY, SOUTH KALIMANTAN PROVINCE, INDONESIA" has been accepted to publish in the IJB. On Sunday, November 28, 2022 I have sent you a payment. It must be USD 120 as your request, however there was a mistake in Kantor Pos Indonesia which was only USD 110 sent. So I sent you another payment as much as USD 10. Please check a copy of Western Union Sending Receipt in attachment. Thanks you.

Best wishes,
Sadik Ikhsan
