There might be a misunderstanding about how to collect money that I sent to you. According to my agent (Kantor POS Indonesia) the money is in the status of "will call" meaning ready to collect. You just come to the nearest Western Union with ID card and tell them the number of MTCN which is 266-775-1343 and 366-624-6130 then they will pay you money USD 110.- and USD 10.-. May you to do it as my agent's suggestion. However if you still have the problem about this, please let me know another your bank account. I will do bank transfer to send money payment of my article publication through that bank account. Thanks
