Dear Zanzabila Adwa Fitrian,

Thank you very much for submitting your manuscript to HRPUB.
In order to expedite the publication process, your manuscript entitled "The Influence of Circuit Training And Interval Training Techniques on The Physical Well-Being of Elementary School Students Analysed From A Gender Perspective" has been sent out to evaluate.
But some problems need to be addressed.
We would be grateful to you if you could revise your manuscript according to the following comments:

1. Please make sure all your reference listings are written in English.

*Please highlight the changes you have made.

Kindly respond to the evaluation and send your revised manuscript to preview.hrpub@gmail.com as soon as possible. Please track status of your manuscript through the Online Manuscript Tracking System.

We will contact you again once a new decision is made on your manuscript. You will expect a review report from Anthony Robinson (revision.hrpub@gmail.com) in the following 45 days. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>) once the review process is completed.

The author will be requested to pay the Article Processing Charges after the manuscript is accepted for publication.
For the charging standard, please refer to http://www.hrpub.org/journals/jour_charge.php?id=99

Please feel free to contact us if you have any questions. Besides, could you please leave us an alternate Email Address in case?

Dear Zanzabil Adwa Fitrian,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format.

Usually, we invite 2 peer reviewers for one manuscript. Compared with both review reports, the overlapped parts can be ignored. Please confirm all comments from the two reviewers have been effected in your paper.

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

In addition to necessary revisions, please note that the similarity index of the revised version should be lower than 18% and similarity from a single source should not exceed 5%.

Please download the publication agreement (https://www.hrpublish.org/download/HRPUB_Publication_Agreement.pdf) and fill in the authors' names, manuscript title, manuscript ID and signature, then send a scanned version to us.

Please submit the revised paper to us by email in MS Word or LaTex format within two weeks and do not submit it into the Online Manuscript Tracking System.

The author will be requested to pay the Article Processing Charges after the manuscript is accepted for publication. For the charging standard, please refer to http://www.hrpublish.org/journals/jour_charge.php?id=99

interaction, implying that the effectiveness of circuit and interval training did not depend on gender. However, male and female participants demonstrated better physical fitness when subjected to the circuit training method. To summarise, the study underscores the beneficial influence of circuit training on the physical condition of primary school pupils. It underscores the importance of taking gender into account when implementing fitness interventions.
