Dear Author

Your manuscript has returned after review.

Please find the attached files for comments made by the reviewers on your manuscript and their evaluation reports.

Please send us the corrected version after necessary corrections suggested by the reviewers.

You may add your comments on a separate page if your opinion differs from the reviewers.

Corrections must be made in the MS Word manuscript and text colour need to be changed (blue/green/brown) where changes will be made.

Please send the revised copy to this email at the earliest, preferably within 3 days.

In addition, you must fill up the Manuscript details from and send back to us with the revised manuscript. However, we also like to request you to acknowledge the reviewer/s in the acknowledgment section of your manuscript. You must use full name of all the authors in the MS.

Regards

[jfish] Copyediting Review Request

 **Executive Editor, Journal of Fisheries** <editor.journal@bdfish.org>
30/06/2017 06:09

To: Dr. Ahmadi

Dr. Ahmadi:

Your submission "The Fishing Gears and Fish Catch Assessment from a swamp in Bangkai, Indonesia" for Journal of Fisheries has been through the first step of copyediting, and is available for you to review by following these steps.

1. Click on the Submission URL below.
2. Log into the journal and click on the File that appears in Step 1.
3. Open the downloaded submission.
4. Review the text, including copyediting proposals and Author Queries.
5. Make any copyediting changes that would further improve the text.
6. When completed, upload the file in Step 2.
7. Click on METADATA to check indexing information for completeness and accuracy.
8. Send the COMPLETE email to the editor and copyeditor.

Submission URL:

<http://journal.bdfish.org/index.php/fisheries/author/submissionEditing/223>

Username: ahmadi

This is the last opportunity to make substantial copyediting changes to the submission. The proofreading stage, that follows the preparation of the galley, is restricted to correcting typographical and layout errors.

If you are unable to undertake this work at this time or have any questions, please contact me. Thank you for your contribution to this journal.

PLEASE NOTE THAT Your MS underwent Moderate ENGLISH editing to improve its readability and also, some literature have been included to improve the quality.
