Dear Sir
Your manuscript has come back from review. Please find the attached files for comments made by the reviewers on your manuscript and their evaluation reports. Please send us the corrected version after necessary corrections suggested by the reviewers. You may add your comments on a separate page if your opinion differs from the reviewers.

Corrections must be in the MS Word manuscript and text color need to be changed (blue/green/brown) where changes will be made.

Please do it as early as possible, preferably within 3 days after receiving this email.
