Muhammad Indar Pramudi pramudi, Samharinto Soedijo, Helda Orbani Rosa, Salamiah Salamiah, Lyswiana Aphrodyanti:

We have reached a decision regarding your submission to Indian Journal of Entomology, "Overview of Predators In Shallots Plantation In Peatland, Landasan Ulin South Borneo".

Our decision is to: Decline Submission

**Authors to follow instructions to authors and journal format, these can be seen from the website [indianentomology.org](http://indianentomology.org) and currently online published papers, or current issue**

Author, affiliation, address not as per journal format, **ORCID ID of the corresponding author is must**

**keywords should be at least 10**

Introduction: **NO** heading as Introduction is allowed

Materials and Methods - **No** subheadings, it should be continuously arranged in paragraphs wise; cite relevant references, for computation no formula is required, cite the relevant reference

Results and Discussion: should be explained together; concise this part, this part is too large. keep only the significant results ns its discussion

Only scientific names in italics, cite reference as per journal format (no bold), for eg., ***et al.***, cannot be italics

No subheading as Conclusion is there in journal format

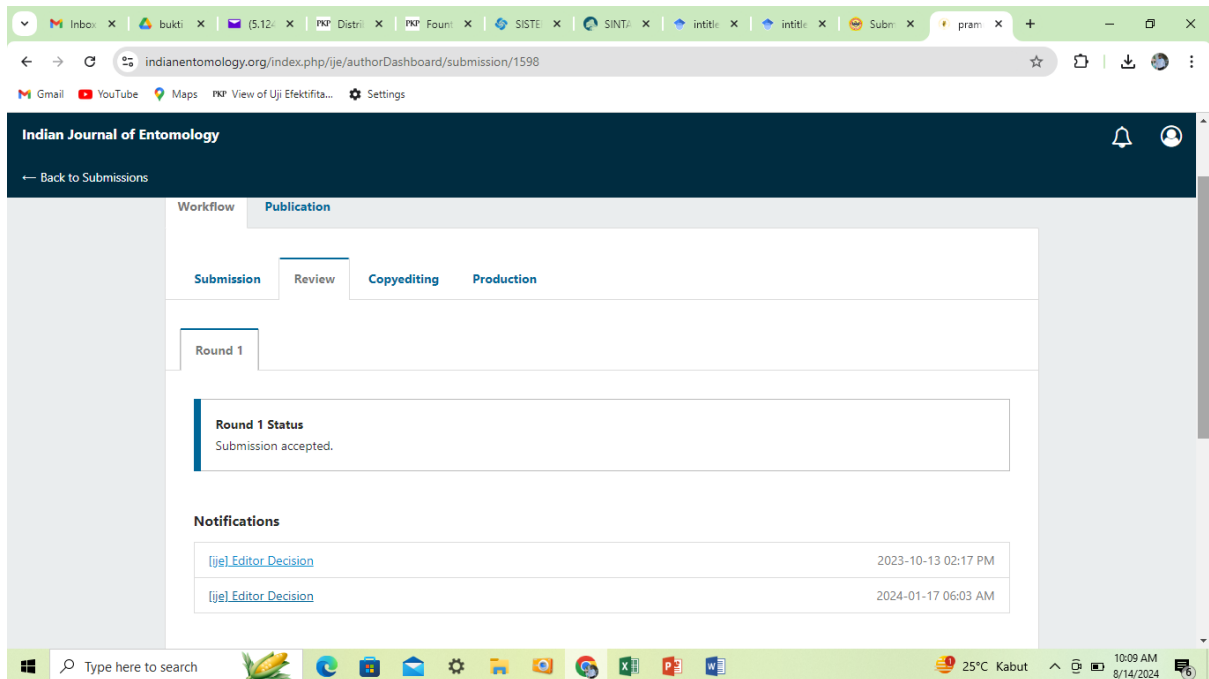

Tables should be provided along with the manuscript in a separate page

References are not in Journal format. Keep all references as per journal format

**USE the word "corrected" in filename while submitting again**
