Meet

Dear Editor,

We have an issue in the article processing fee payments. The Bank address (**Citizens Bank International Limited**) of your account that has been noticed in your managing editor (APF) emails is not available in our country. We have sent an email for help to the managing editor of IJOSH, but have had no reply.

Does IJOSH have another alternative payment method for article processing fee such as payment via paypal? or maybe another payment suggestion. Thank you for your understanding.

Best Regards,
Mufatihatul Aziza Nis
