The manuscript similarity index is too high, you are required to reply to this mail with a modified manuscript with reduced similarity. Most Authors include unnecessary content for the introduction and materials/methods which can be avoided. It is important to note that the result, discussion, and conclusion part should have very less or no similarity at all.

Modified manuscript reply with this mail only.

Dear author

Your manuscript number "0503023PQAY" bearing with title "LARVICIDAL ACTIVITY OF ETANOL EXTRACT OF CINNAMOMUM SINTOC BLUME BARK AGAINST AEDES AEGYPTI: ROLE OF THE EXTRACT AS AN ACETYLCHOLINESTERASE ENZYME INHIBITOR" has been provisionally accepted after minor modifications. It may be published in the upcoming issue of the journal subject to deposition of Open Access Fee USD250 to

ijddtjournal@gmail.com

Refer this link to pay <https://ijddt.com/fee/>

Note: The authors may **reply this mail** with modified manuscript containing minor typography errors if left coincidentally during submission. The errors must be highlighted clearly in **red color font**. The modifications are subject to approval of editorial board. Any typological/coincidental error left after this stage will not be considered. In case the modifications are not minor, then authors may be asked to withdraw and resubmit manuscript.

Important: After making a transaction, please confirm transaction by providing transaction details **as a reply to this mail only**.
